

Fall protection

ASCAB AN071

FALL ARRESTERS ON CABLE

Sliding fall arrest system for movement on 8 mm cable

Specific benefits

Easy to use

- NFC system guarantees traceability
- Direction finder for easy harness fitting

Applications

- Building
- Finishing works / Craftsmanship
- Chemical industry
- Automotive
- Oil & Gas (extraction)
- Mining

Certifications and norms

EN353-1

Protects against risks

Fall

Fall protection
