A DIFFERENT KIND OF SAFETY COMPANY

It strives to achieve multi dimensional growth by offering high quality products according to American (ANSI) as well as EUROPEAN (EN) standards.

Using out-of-the-box technologies, materials and processes, we cater products to fit the human safety, not to fit convention. The result? Unmatched comfort and performance on and off the workplace.

With most modern production facility, our manufacturer's intensive R&D and technical expertise, dedicated customer service, ethical and ecological values, reputation as trustworthy partner and strong foundations as a financially health company are main reasons of PERFACTIVE success story.

Our passion of safety and comfort, found in every PERFACTIVE products, provides a natural habitat for comfort, convenient and well-being PERFACTIVE products look different. And when you put them on, they feel different too. Different and better.

WHY CHOOSE **PERFACTIVE?**

PERFACTIVE

NEAR YOU

CHOOSE YOUR PROTECTION

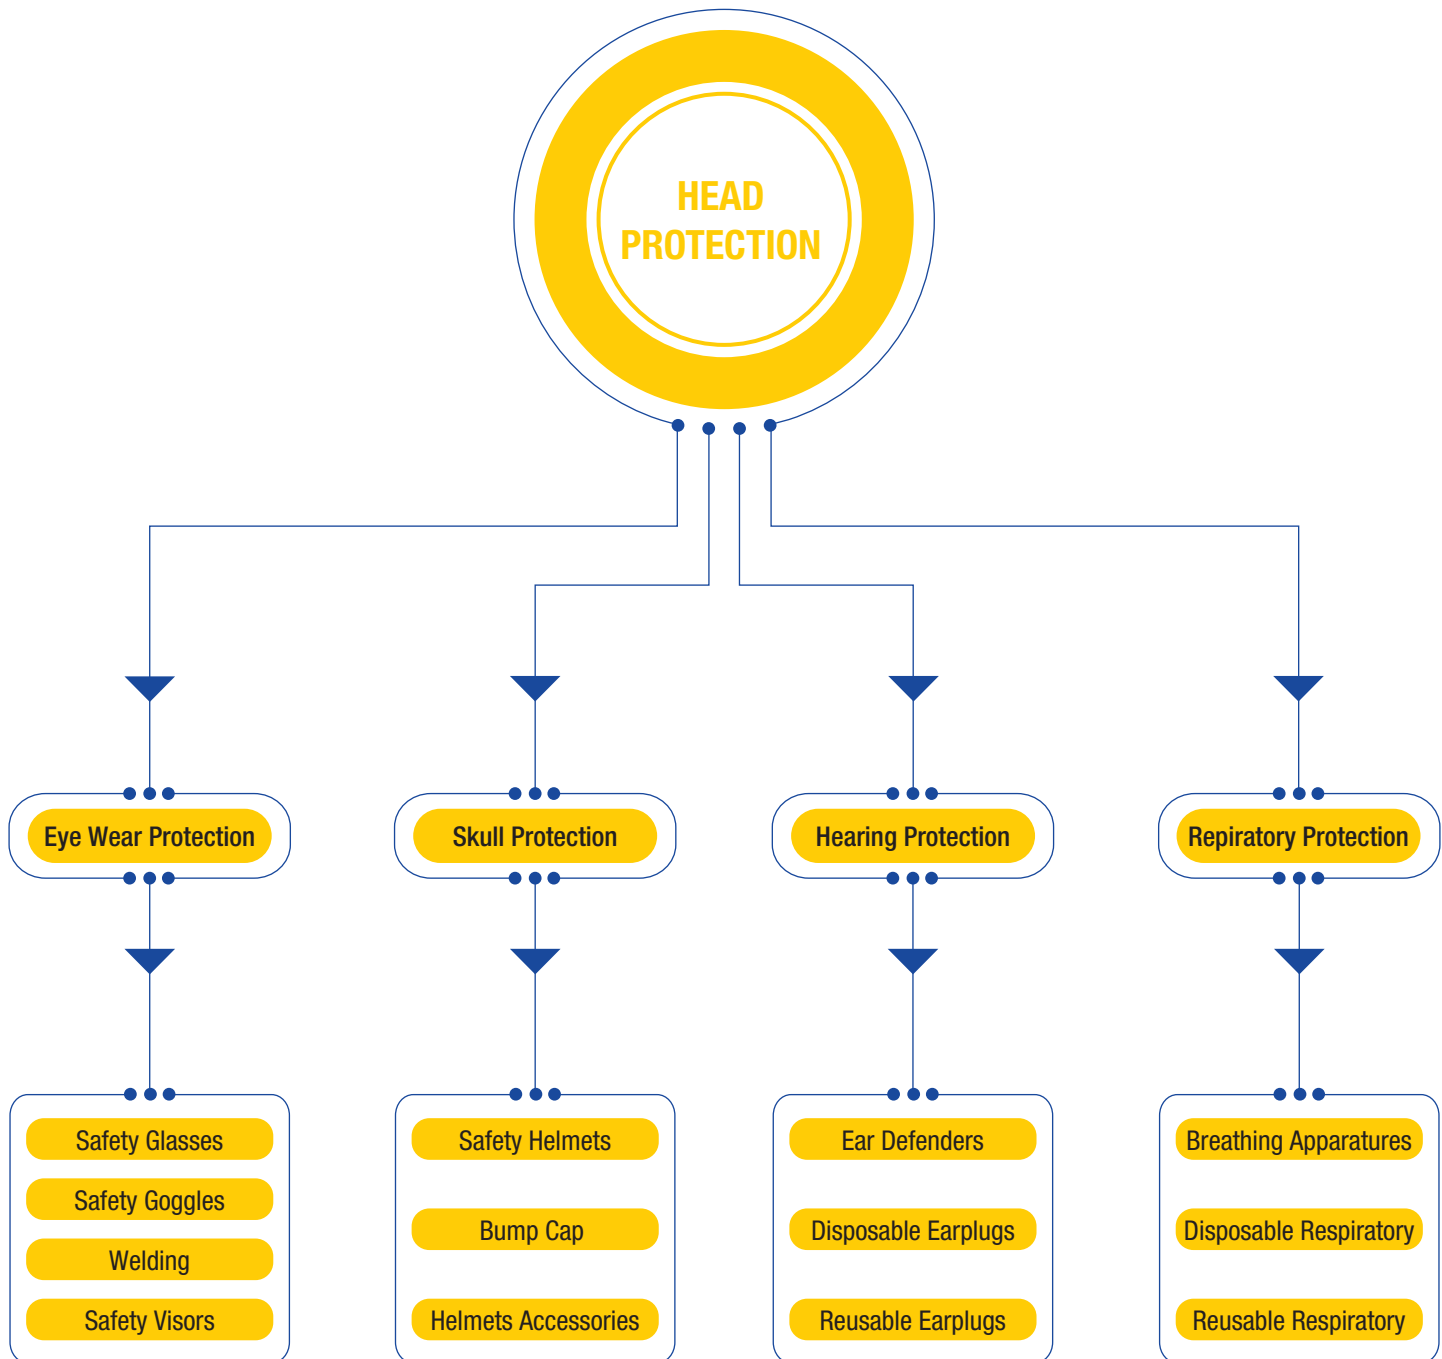

We supply our products to all industrial sectors that need protective equipment for their manpower against all kinds of occupational hazards, like Mechanical, Electrical, Fire exposure, and Chemicals or of any other.

We work towards by implementing a total “Head-to-Toe” and Fall Arresters safety concept to the HSE standards by providing authentic, environment-friendly and quality Personal Protective Equipment / Apparatus.

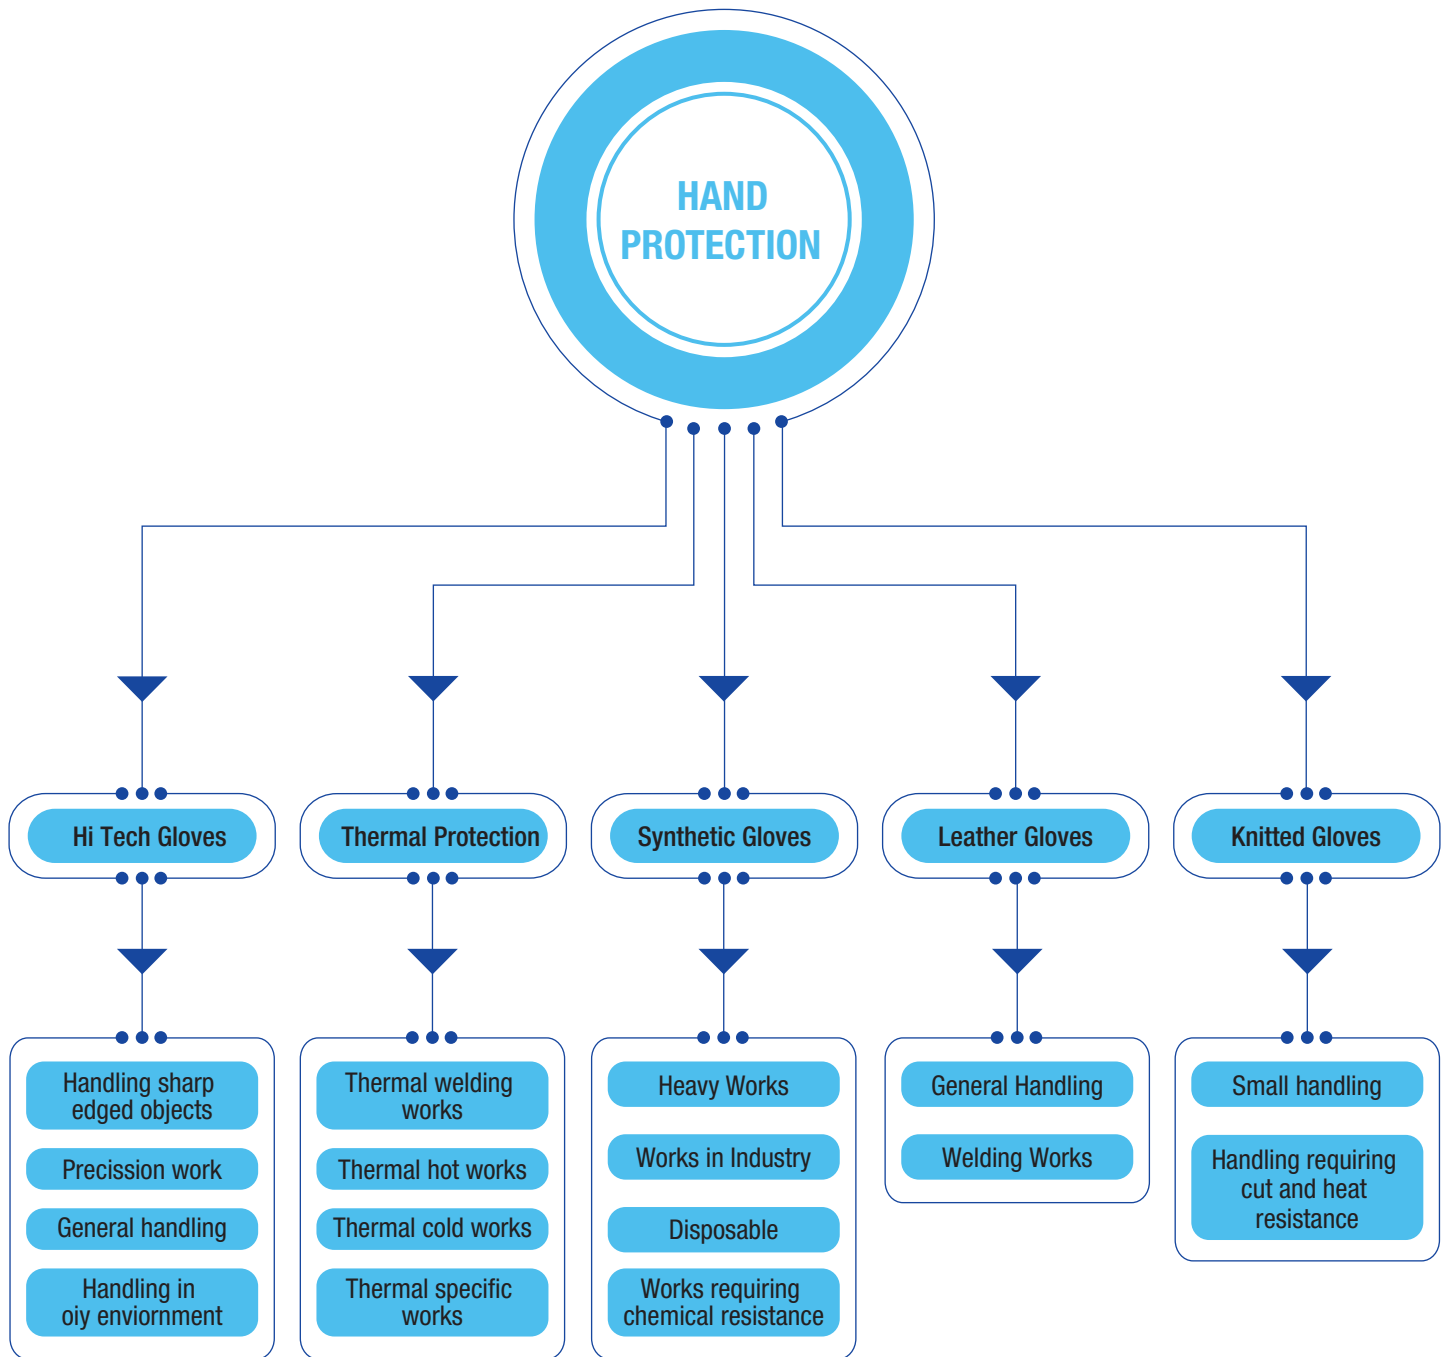

HEAD PROTECTION

A close-up photograph of a welder in a workshop. The welder is wearing a dark protective helmet with a clear lens and large, tan-colored leather gloves. They are focused on welding a metal beam, with a bright blue and white arc of light and a shower of orange sparks emanating from the point of contact. The background is slightly blurred, showing a workshop environment.

HAND PROTECTION

BODY PROTECTION

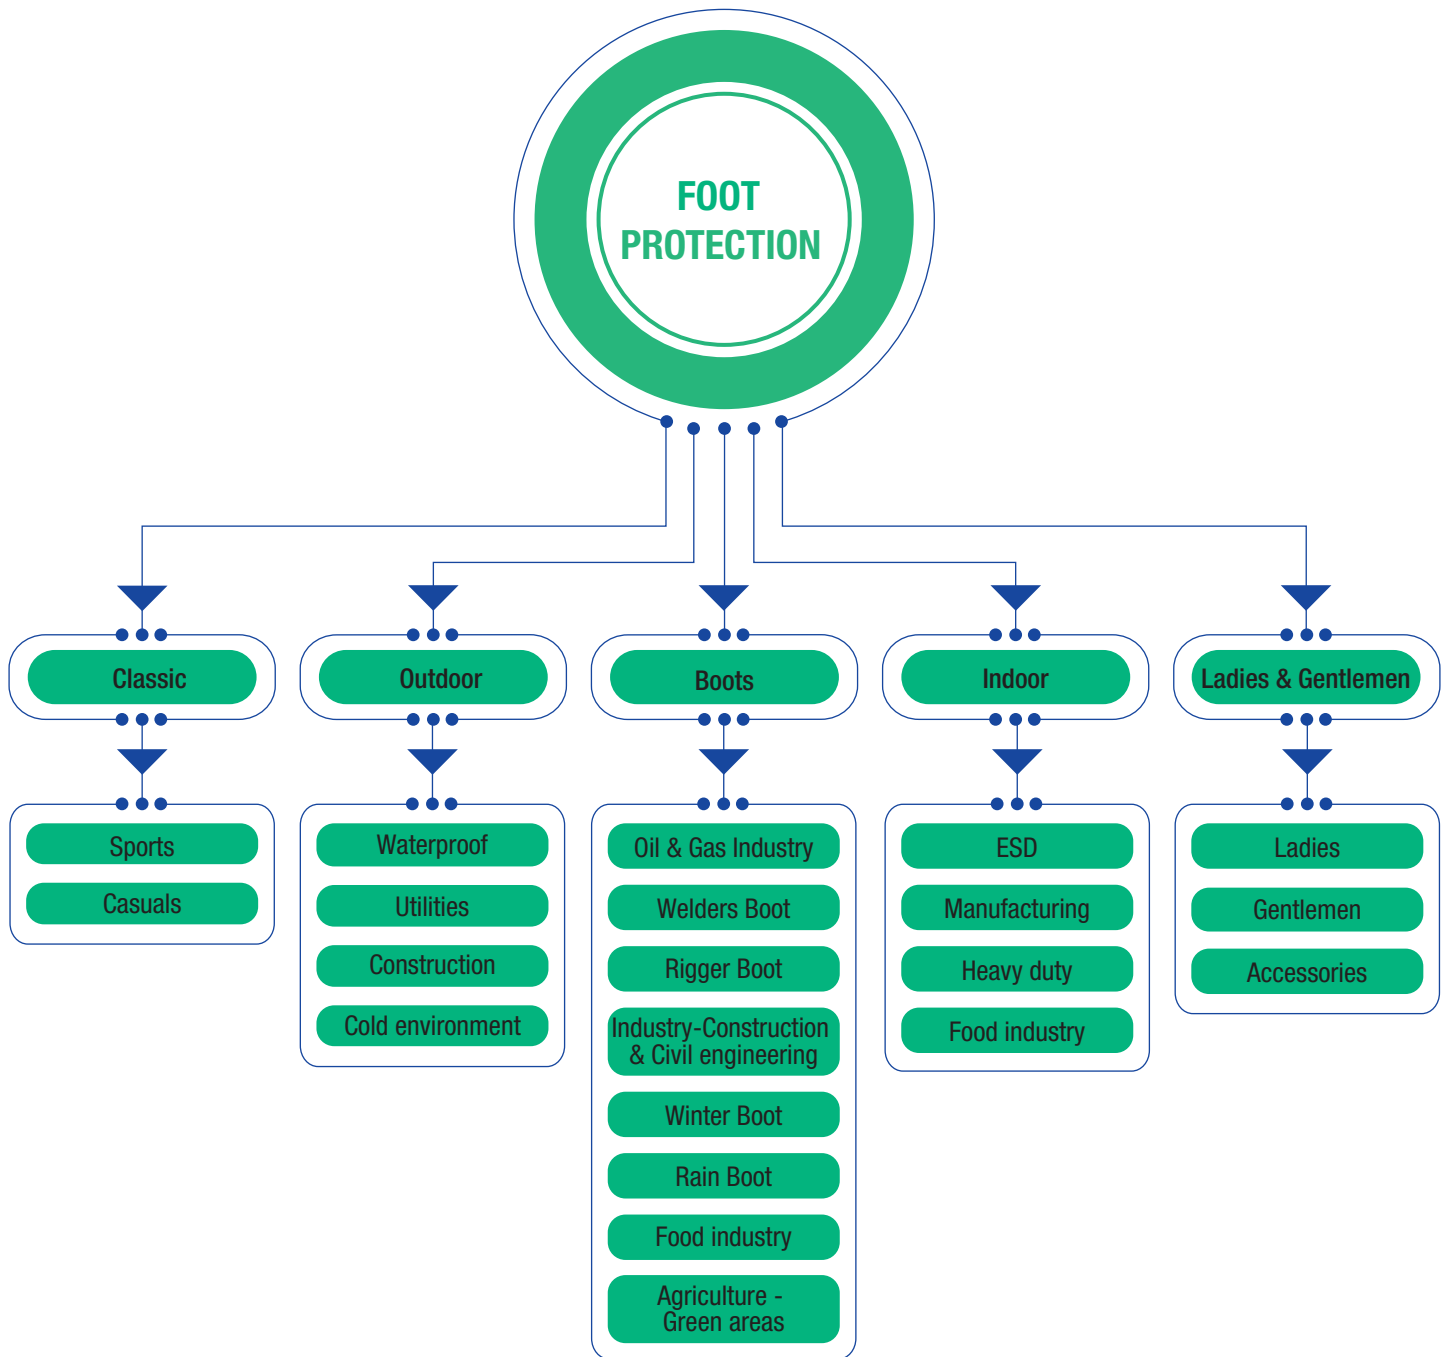

BODY PROTECTION
